

Spring 2018 Courses Announced!

We are pleased to announce the addition of several exciting new courses for the spring session 2018, in addition to some of our most popular classes and workshops! Classes/Workshops run from April 2nd to May 25th. Here's a sampling:

Mac Computer Basics

This is a Beginning course. Learn all necessary things to use a Mac Computer with the newest MacOS: how to use the keyboard and trackpad, preferences, desktop and notifications, emails, Finder file management, iCloud, Photos, iTunes Music and Web Browsers.

Computer Fundamentals for Beginners

This truly is an Entry Level course, designed for students who know nothing about a computer or have very limited knowledge. Main objective is mouse control and more mouse control. Proficiency in the use of the mouse and keyboard are necessary to take the advanced computer classes at SeniorNet. Learn to create, save, open, and close files and folders. Windows 10 will be the primary operating system.

Quicken (New)

This is a Beginning Quicken class. No Quicken background/knowledge is necessary. Should be comfortable with installing programs from disk or downloading from the internet. Quicken is for personal financial management to allow you to replace paper activities: record bank transactions; manage a budget; track investments and prices; retrieve transactions from banks or credit card companies. Extra features make it the easiest and best product for you to consider for your home financial needs.

How I learned to stop worrying and start loving the internet (Workshop)

Basic explanation of how the internet works so computers and devices can interact with each other. What and how to use the internet safely and efficiently so you will get the most from it in your daily life.

~~~~~  
See pages 3-5 for a complete list of courses and workshops. You can also pick up a copy of the registration packet at the Willow Glen Community Center office for complete details of classes and workshops.

Go to our website [www.snicsj.org/willows](http://www.snicsj.org/willows)

- To see class and workshop descriptions
- To be added to our distribution list
- To register online

You can also pick up a copy of the registration packet at the Willow Glen Community Center office.

***Registration deadline  
is 5 PM, March 17, 2018  
Classes start Monday, April 2, 2018***

***Drop in on Saturday, March 17,  
between 11:00 and 12:30 if you need  
assistance. Room 5.***

### ***SeniorNet Learning Center at Willows***

## The Center Has New Windows!!

After long anticipation with scheduling and re-scheduling, rain delays etc., the new outside windows were finally replaced at the Center with “minimal” disruption to our classes. There’s still some trim work to be done, but they are beautiful!

## Technology Users Group Meeting

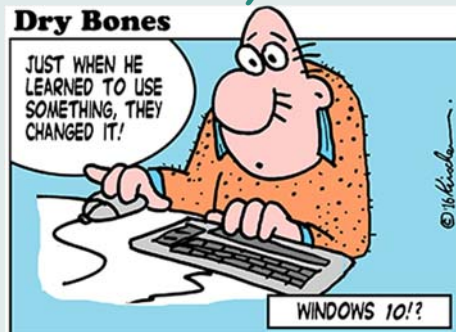

This Monday – March 12, 2018  
2:00 pm – 3:30 pm

**Featured Speaker: Jack Friedman**  
**Topic: Smart Home for Seniors**

Jack will explain how to make your home safer and easier to live in with **Smart Technology** coming into our lives. (Smartphone discussion to follow from 3:00 to 3:30.)

Willow Glen Community & Senior Center  
Multipurpose Room (at the end of the hall)  
2175 Lincoln Ave., San Jose

## Classes and Workshops for Everyone

**Suggestion:** Take one of SeniorNet’s several Windows 10 classes offered to fit every level of experience. See our Windows 10 Classes on page 3.

“Of course this website is safe! As an extra measure of security, they make you sign in with your Social Security number, mother’s maiden name, your bank account, home address, phone number, and date of birth....”

**Suggestion:** Attend the Cyberscam Workshop. See Workshops on pages 4 & 5.

## Wednesday Open Lab

By popular demand, the Open Lab will continue during the March break. Wednesdays from 2:00 to 4:00 pm. Volunteers are available to assist the students on a one-on-one basis.
